ALL DODGE SPRINTER MODELS INCLUDE:

- Adaptive Electronic Stability Program (ESP)*** — Features Load Adaptive Control in addition to ABS, Acceleration Skid Control, Electronic Brake-Force Distribution, Brake Assist and Electronic Roll Mitigation
- Air Bags'** — Driver and front-passenger
- Air Conditioning** — Front, includes automatic temperature control (includes temperature gauge)
- Alternator** — 180-amp
- Armrest** — Driver and passenger seat
- Ashtray** — Front (includes cigar lighter)
- Auxiliary Heater** — Electric powered
- Axle Ratio** — 3.92 diesel, 4.72 gas
- Battery** — 100-amp
- Battery Master Switch** — Cable disconnect in passenger compartment on firewall next to accelerator pedal
- Brakes** — Four-wheel disc with ABS
- Bumper** — Front, Dark Gray
- Engine** — 3.0L V6 CRD Turbo Diesel (includes fuel sender for auxiliary heater)
- Exhaust Pipe** — Rear extension
- Floor Covering** — Front, rubber
- Fuel Tank** — 25-gallon
- Glass** — Tinted windshield
- Headlamps** — Halogen
- Jack** — Hydraulic
- Lamps** — Front dome

- Locks** — Power
- Paint** — Monotone
- Parametric Special Module Prep**
- Remote Keyless/Illuminated Entry**
- Seat Belts** — Three-point seat belts with pyrotechnic pretensioners and belt force limiters for the driver and front-passenger and five-position manual height adjusters on the B-pillars
- Seating** — Passenger seat
- Shelf** — Above front windshield
- Sound System** — AM/FM stereo with CD player
- Splash Guards** — Front and rear (Chassis Cab front only)
- Starting Aid Contact** — Underhood
- Steering** — Power, rack-and-pinion
- Steering Column** — Tilt/Telescope
- Steering Wheel** — Four spoke
- Tachometer**
- Temperature Gauge**
- Tire Carrier** — Underslung rear spare (not available with wide metal rear step or higher wide metal rear step) (not available with temporary spare tire mounting on Chassis Cab)
- Tires**
 - Spare, full-size
 - All-season
- Tool Kit**
- Traction Control**
- Transmission** — 5-speed automatic with AutoStick®

ALL DODGE SPRINTER MODELS INCLUDE (CONT):

- Warning Chimes** — Headlamps on
- Warning System** — Driver's seat belt
- Wheels** — Steel spare
- Windows** — Power front
- Windshield** — Tinted

* No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always wear your seat belt.

† Always use seat belts. Dodge Sprinter Cargo Van and Chassis Cab vans are equipped only with front seats and should not be used for children 12 and under. In Dodge Sprinter Passenger Van, children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and size.

• = Included. P = Available within package noted. O = Optional. L = Fleet only limited production option. N/A = Not available.

⁽¹⁾ Always drive carefully, consistent with conditions. Always wear your seat belt and obey all traffic laws.

⁽²⁾ Always use seat belts. Dodge Sprinter Cargo and Chassis Cab vans are equipped only with front seats and should not be used to carry children 12 and under. In Dodge Sprinter Passenger Van, children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and size.

⁽³⁾ Always check entire surroundings before backing up.
